Plate 1B - Black & Colour Print Flaws(On 19.12.69 & 7.12.70 printings with PVA gum)

Later printings of the 6¢ on the gum arabic and PVA gums showed that the black dot below the second pair of dots at the Jawi word for Malaysia on R.8/7 had been retouched to a smaller greyish mark.

The one black flaw on R.8/10 at the left end of the Jawi word for Kedah developed into two flaws during later printings of the 6¢ on gum arabic and PVA gums.
