SELANGOR

The first British Resident was appointed in 1874. Selangor joined the Federated Malay States in 1896.

The stamps of the Straits Settlements were used in Selangor from 1879 until 1881. Until 1st. January 1899, when the Federated Malay States joined the U.P.U., mail for addresses outside Malaya was franked with stamps of the Straits Settlements.

The Straits Settlements 1867 2¢ brown with Crown CC watermark (No.11) has been known since 1881 overprinted in black with a crescent and star over a capital S, all within an oval, similar in style to the overprints listed for Perak and Sungei Ujong. The status of this item remains unclear, but it may well represent the first issue of distinctive stamps of Selangor.

A similar overprint in red on the Straits Settlements 2¢ brown with Crown CA watermark also exists and may have been produced for sale to collectors. This overprint should not be confused with a somewhat similar cancellation in red used on Selangor stamps of the same period.

STRAITS SETTLEMENTS'S STAMPS USED IN SELANGOR 1879-1899

During the period of 1881 to 1899 Selangor issued its own stamps and during this period its stamps was valid locally and to the Straits Settlements or native states. The first Post Office was probably at Klang followed a year or two later by Kuala Lumpur, other offices being opened at Kuala Langat and Kuala Selangor later.

All overseas mail from Selangor had to be franked with Straits Settlements stamps. The state paid for these stamps in full and so apparently obtained no revenue from the overseas mail, not even requiring state stamps to be affixed for local postage as was the case with Johore.

Selangor joined the Federated Malay States on 1st. July 1896 and it was not until 1900 that the Straits Settlements stamps were replaced by the permanent issue of the FMS.

STAMP SHORTAGE PERIOD JULY 1900 TO MARCH 1901

Pending the arrival of the permanent Federated Malay States issue there was a shortage of stamps due the unexpectedly long delay in the receipt of the new stamps especially the low values.

To meet the emergency the postal administration authorised the use of Straits Settlements and Perak stamps between July 1900 and March 1901. At about the same time the stamps of the four FMS states became mutally valid.

STRAITS SETTLEMENT'S USED BETWEEN 1902 TO 1903

According to "Ewens Weekly Stamp News" of 27th. June 1903, the 4¢ FMS stamp was withdrawn for a few weeks to get rid of a stock of 2¢ Straits Settlements stamps.

The examples below however indicate that the 2¢ Straits Settlements stamps continued to be used beyond the shortage period of 1900-1901 and was seen used between 27.8.02 to 13.8.03. This raises the question as to why a revalidation notice did not appear in the Gazette only until 31st. March 1907.
